RE: Petition for Arbitration of Momentum Telecom, Inc. with BellSouth
Telecommunications, Inc. Pursuant to the Telecommunications Act of
1996, **Docket No. 2006-54-C, ELS File No. 608-10104**

Dear Mr. Terreni:

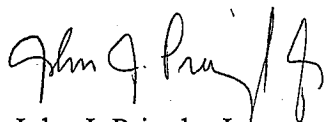

Momentum Telecom, Inc. requests, with the consent of BellSouth Telecommunications, Inc., that these proceedings, including any procedural schedules which have been issued, be held in abeyance for 90 additional days while the parties continue to negotiate and await the outcome of the "change-of-law" proceedings in the BellSouth region. The extension is necessary, in part, because the parties are awaiting Federal Court decisions in Georgia and Alabama (and possibly an FCC decision) on the issue of state jurisdiction over Section 271 rates.

In light of this request, the parties agree to extend by 270 days (an additional 90 days) the statutory deadline for resolving this arbitration proceeding. The Office of Regulatory Staff consents to this request.

Please acknowledge your receipt of this document by file-stamping the copy of this letter enclosed, and returning it in the enclosed envelope.

Very truly yours,

John J. Pringle, Jr.
